20. The Senior Surgeon transferred the Commr's from this office on the subject in question to the Sanry Commr. Hence the reply to Govt from this officer.

The file of papers recd from the Sanry Commr does not throw light as to how the existing practice originated that of the Khazi being entrusted with the disposal of the unclaimed bodies of muhammadans dying in Hospitals, for a fee of Rs 2 for each corpse. The papers show however that the Central Mahamedan Association, Bangalore working hostile to the interests of the Khazi has secured the Cooperation of a Hospl Asst employed in the Epidemic diseases Hospital and has taken upon itself the duty of disposal of some mahamedan corpses to the prejudice of the right long enjoyed by the Khazi. The Sanitary Commr is not in favor of entrusting the Association with the rights in question

The consequence is that the bodies are merely rolled in a cloth after the manner of the Hindus, and placed in the grave without any religious ceremony at all. They say this is all extremely objectionable and beg that all such bodies be handed over to the Secretary of the above Association, who will dispose of them in a proper manner, including having them properly washed and a religious ceremony performed.

They say that since 1898 the Khazi has nothing to do with the Mahommadan ~~Community~~ Cemetery. As the matter is of some importance I request that definite instruction be issued on the subject for guidance. Meantime the practice hitherto in force will continue.

THE SECRETARY TO THE GOVERNMENT OF MYSORE,

BANGALORE.

Med. 61-09-3

The humble petition of the Mohammadan citizens of the City of Bangalore most respectfully sheweth:-

We the undersigned citizens of Bangalore respectively approach the Government on behalf of the Mohammadan Community and solicit permission to inform the benign Government of the surprise and consternation that has been created among the masses of Mussalmans by the news of a certain report lately seem to have been made by the Senior Surgeon in Mysore to the Government of His Highness, in the matter of the disposal of unclaimed dead bodies of Mussalmans.

It seems a deputation from the "Central Mohammadan Association" of Bangalore City, headed by Yunis Sait Saib of St. Mark's Road, C & M Station, and Abbas Khan Saib of 30, Arcot Srinivasa Charlu Street, Bangalore City-a resident of only two year's duration-waited on the Senior Surgeon and made some allegations against the Sar Khazi Saheb of Bangalore City(which we are sure cannot but be false ones) and seem to have requested that the time honoured(Official and legal) practice entrusting the corpses(of Mussalmans dying in Hospitals Etc., for purposes of burial with due ceremonies) to the Sar Khazi of Bangalore be henceforth done away with and that the said Central Mohammadan Association be made to take charge of such bodies & conduct their obsequies.

(7)

The Senior Surgeon, we learn, has thereupon asked the directions of the Government as to what he has to do in the matter. We now on behalf of the Mohammadan Community hereby pray the benign Government to graciously instruct the Senior Surgeon never at any time to entertain any such requests from Associations or individual bodies and to let the proper, legal and official practice, the same practice that has been in vogue all these days to quietly continue.

SENIOR SURGEON & SANITARY COMMR. MYSORE GOVT. ✣ OFFICE OF
4 - OCT 1909
BANGALORE.

Yunis Sait Saib, one of the members of the deputation spoken of, is a resident of the C & M Station and cannot thus be aware of what good steps the Khazi always takes in the matter of burying with due religious ceremonies the unclaimed dead bodies of Muhammadans. Further, as we know the existence of Muhammadan Associations in the City of Bangalore has been like that of butterflies; to-day springing and to-morrow dying. Hardly any of them has survived for even a few years continuously. To inform the benign Government of but a few Mahomedan Associations and Anjumans that rose during the past 20 years and that are now no more; we beg but to give the names of a few:-(1) The Majlise Islam; (2) The Anjuman-e-Islamia; (3) The Khadim-ul-Muslamini; (4) The Jamaati Momineen; (5) The Anjumane Darul Akhbar; (6) The Anjumane Talim Ahle Islam (7) The Anjumane Mawaineen Ahle Islam Etc., &c., &c.,. Government can easily understand that an Association may take charge to-day of burying unclaimed dead bodies; but to-morrow when (as may happen) it will be no more who will look to the burials and the ceremonies thereof. On the other hand in the Sar Khazi, there is a Government official, who is ever to be, and who has been all these years looking after that work and will have to look after in future too. He is paid by Government monthly for several purposes of which the duty

of burying unclaimed Mohammedan corpses of persons dying in Hospitals Lunatic Asylums Etc., is one. In fact, the Khazi is a Trustee of Government in the interests of the Muhammadan cemetery in Bangalore as elsewhere. Even in Taluks and other towns in Mysore and throughout India the Khazi happens to be the responsible person, for all these affairs.

And for aught we know this duty has always been performed by the Khazi Saheb of Bangalore always with due precision and promptness.

Therefore, we beg leave to state that there is no rhyme or reason in getting a duty and responsibility of a Government official transferred to a non-responsible body that may exist to-day and may be no more to-morrow.

The City of Bangalore is unhappily a City of factions so far as the Mohammadan Community is concerned. There are here even to-day several rival Associations of Mohammadans-at least three of them being prominent Viz, (1) The Moonul Muslimeen, (2) The Chief Central Mohammadan Association and (3) The Central Mohammadan Association. When once the Government takes up the step of entrusting dead bodies to an Association instead of to the Government paid official, the Sar Khazi Saheb, the other Associations, we beg to assure Government, will also become clamourous to take charge of bodies and it is obvious that this will cause great confusion and annoyance to Government and to the various medical authorities concerned.

Under these very briefly narrated circumstances we pray Government, alike in the interests of Government itself as also in those of the Mohammadan

Community at large, to make the departure from the established practice and customs in these religious affairs and to let the Government Sar Khazi Saheb alone as usual(without interference) to carry on his routine work in burying unclaimed corpses of Mohammadans.

SENIOR SURGEON & SANRY: COMMR: 4 - OCT. 1909 BANGALORE.

We beg to take this opportunity to complain against a seriously wrong step intentionally taken very lately by a Hospital Assistant doing duty in Kagadi Camp, Bangalore, one C. Mohammad Sibghatulla. When a death occurred in the Camp of a Mohammadan, whose body was not claimed x by any one, the said Hospital Assistant who is a member and leading-spirit and News-paper Article writer of the said Central Mohammadan Association, instead of handing over the body for burial to the Sar Khazi Saheb according to Government orders and the custom, delivered it over to the above-said Abbas Khan Saib of the Central Mohammadan Association. In this serious matter of making an unauthorized departure from the Rules, complaints went to the Senior Surgeon and to the Deputy Commissioner. It is with the sole view of escaping from the meshes into which he finds himself now that at his instigation as we hear, the deputation spoken of waited on the Senior Surgeon. We therefore fervently pray that Government may be pleased to cause the matter to be thoroughly investigated and set matters aright.

Trusting that this humble petition of ours, which is only a serious topic of the religious interxmx ests of the Mohammadan Community will receive favorable

SURGEON & SANRY: COMMR: MYSORE GOVT. ✣ OFFICE OF 4 - OCT 1909 BANGALORE.
